Student Finance Information Evening

Dear Parents and Students,

I would like to invite you to our Student Finance Information Evening on Thursday 11th March 2010. The presentation, given by a Student Liaison Officer based at Aston University, will provide information, guidance and advice for yourself and your son/daughter about how financial support will be provided for your child when he/she enters Higher Education in the Autumn Term. You will be able to collect guidance booklets during the information evening and also receive help on how to fill in the online application forms. There will also be an opportunity to ask questions in order to clarify anything that is unclear.

Please note that the student finance arrangements for 2010 are different than in previous years so even if you have other children who have entered higher education previously we would highly recommend that you attend this session if at all possible.

We recommend that all students who are intending on entering higher education in September attend this presentation along with their parents.

The talk will commence at 6.30pm in the Sixth Form Centre and should last approximately one hour

I look forward to seeing you and your son/daughter on the 11th March.

Yours faithfully

Miss J Kendrick
Head of Sixth Form
